Churchgate Area Association

www.churchgateassoc.org.uk

The Churchgate Area Association is a residents' and businesses' association formed in 2003 covering the medieval grid, Greene Mews and Friars Lane in Bury St Edmunds. It has approximately 320 members and is part of the National Organisation of Residents Associations.

Our objectives are:

- ❖ To protect the interests of those living and working in the medieval grid.
- ❖ To allow members to find out what is going on in the area where they live and work that may affect them, and provide opportunities for their voice to be heard and influence any decisions which may be made.

It does this by:

- ❖ Providing a powerful unified voice to represent members' interests (when they become threatened), and by lobbying the appropriate officials
- ❖ Publishing a regular newsletter

The CAA organises social occasions (free to members) when members can come together and relax, meet others and hear speakers on current topics and issues. New members are welcomed to the area.

The CAA is run by a committee which meets every month throughout the year. The Annual General Meeting and social is held in the autumn. A spring social is also arranged.

Our achievements

We have:

- Lobbied for adoption by St Edmundsbury Borough Council of a Cumulative Impact Policy with agreement to maintain that status. Therefore any new licensing applicant has to prove that the granting of a licence to sell alcohol will not increase anti-social behaviour in the town
- Increased the number of residents' parking bays, and are trying to provide more
- Campaigned to reduce noise from licensed premises
- Liaised closely with the police on petty vandalism, parking and traffic matters
- Raised objections to building developments which would have threatened the special character of the area
- Campaigned for and achieved high speed broadband across the area
- Persisted with, and campaigned for, the introduction of Civil Parking Enforcement.

Our regular Newsletter is delivered to all residents and businesses in the Churchgate area, keeping them in touch with the latest news affecting the medieval centre.
