

Churchgate Area Association

www.churchgateassoc.org.uk

The Churchgate Area Association is a residents' and businesses' association formed in 2003 covering the Medieval Grid, Greene Mews and Friars Lane in Bury St Edmunds. It has approximately 400 members and is part of the National Organisation of Residents Associations.

Our objectives are:

- ❖ To protect the interests of those living and working in the Medieval Grid.
- ❖ To allow members to find out what is going on in the area where they live and work that may affect them and provide opportunities for their voice to be heard and influence and decisions which may be made.

It does this by:

- ❖ Providing a powerful unified voice to represent members' interests (when they become threatened), and by lobbying the appropriate officials.
- ❖ Publishing a regular newsletter.

The CAA organises social occasions (free to members) when members can come together and relax, meet others and hear speakers on current topics and issues. New members are welcome to the area.

The CAA is run by a committee which meets monthly throughout the year. The Annual General Meeting and social is held in the autumn. A spring social is also held.

Our Achievements

We have:

- Persisted with and campaigned for the introduction of Civil Parking Enforcement
- Increased the number of residents' parking bays, and are aiming to provide more
- Supported and promoted local council policy that new licensing applications do not result in noise and anti-social behaviour
- Liaised closely with the police on petty vandalism, parking and traffic matters
- Raised objections to building developments which threaten the special character of the area
- Campaigned for and achieved the resurfacing of the pavement of Whiting Street

Our regular **Newsletter** is delivered to all residents and businesses in the Churchgate area, keeping them in touch with the latest news affecting the medieval centre.
